

Things To Do Before Your Closing Date

Your closing is coming soon, here's a list of items that could be done just prior to that date.

- Let your friends and family know about your new address.
- Call the cable company for your new service and hook up.
- Schedule your new trash service (garbage, recycling, yard waste)
- Transfer service to your name with utility companies...
(Gas, electric, telephone, water and sewer)
- Fill out the proper forms for notifying the postal service.
- Schedule lawn service if desired.
- Get your new furniture/appliances ready. If you purchased new appliances/furniture arrange for the store to deliver the packages on (or just after) closing day.
- Prepare for the move. If you are hiring movers, call them a couple weeks in advance to book your time.
